## Explanatory Notes

### 1) Financial Reports

The Corporations Act requires that the Company's Financial Report (which includes the Financial Statements and the Directors' Declaration), the Directors' Report and the Auditor's Report for the year ended 30 June 2018 be laid before the AGM.

There is no requirement in the Corporations Act or the Company's constitution that shareholders vote on, approve or adopt the reports. However, shareholders will be given a reasonable opportunity at the AGM to ask questions about those reports.

Shareholders will also have a reasonable opportunity to ask the auditor questions in relation to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the Financial Statements of the Company, and the independence of the auditor in relation to the conduct of the audit.

The Company's Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2018 form part of the Company's 2018 Annual Report, a copy of which is available at: <http://investors.afgonline.com.au/investor/?page=annual-reports>

Shareholders may also elect to receive, free of charge, a printed copy of the Company's Annual Report for each financial year by contacting the Company's share registry on 1300 554 474. A printed copy of the Company's 2018 Annual Report has been sent to shareholders who have previously made this election.

### 2) Election of Directors

In accordance with the Company's constitution, a director (other than the managing director) must retire from office no later than the longer of the third AGM and 3 years following that director's last election or appointment. Retiring directors are eligible for re-election. Malcolm Watkins and Craig Carter were last elected as directors at the 2015 AGM. Mr Watkins therefore retires and, being eligible, offers himself for re-election to the board of the Company (**Board**). Mr Carter also retires and, being eligible, offers himself for re-election to the Board.

The Board has in place policies and procedures designed to identify and update criteria for current and potential directors in response to the changing environment and monitor the skills and experience of existing directors to ensure that the Board operates efficiently and effectively.

The Board undertakes an annual review of its performance, policies and practices. This review includes an assessment of the performance of each director individually and the results are considered by the Board in determining its endorsement of the directors to stand for election or re-election at the Annual General Meeting. The Board has undertaken a review of the performance of each director standing for election and re-election and the contribution they have made to the Board. The Board has also considered the skills and expertise that each director brings to the Board.

The Board (with the relevant director abstaining in respect of their own election or re-election) recommends that you vote **in favour** of the re-election of Mr Watkins and Mr Carter.

### 4 & 5) Grant of 2019 LTI Awards to Executive Directors

The Company is seeking shareholder approval to award performance rights over ordinary shares in the Company (**Performance Rights**) to the following Executive Directors:

- Brett McKeon (Executive Director); and
- Malcolm Watkins (Executive Director),

(together, the **Participants**). The Performance Rights will be awarded in accordance with the Company's long term incentive plan (**LTI Plan**) that has been established to assist in the motivation, retention and reward of senior Executives (**2019 LTI Award**).

#### Why is shareholder approval sought?

The Company is seeking approval for the proposed award of Performance Rights to each Participant pursuant to ASX Listing Rule 10.14, which requires the Company to obtain shareholder approval in order to issue securities (which includes the issue of Performance Rights) to a Director under an employee incentive scheme. Any required or appropriate shareholder approval for future equity awards to be made to any of the Participants will be sought at future annual general meetings.

In addition, approval is sought under sections 200B and 200E of the Corporations Act for the pro-rata vesting of Performance Rights to each of Brett McKeon and Malcolm Watkins in the event of cessation of their respective employment in limited circumstances under the terms of the LTI Plan.

Where only some of the Performance Rights have vested on a change of control, the remainder of the Performance Rights will immediately lapse. Restrictions on dealing	<p>The Participant must not sell, transfer, encumber, hedge or otherwise deal with Performance Rights.</p> <p>Unless the Board determines otherwise, the Participant will be free to deal with the shares allocated on vesting of the Performance Rights, subject to the requirements of the Company's policy for dealing in securities.</p>
Reconstructions, corporate action, rights issues, bonus issues, etc	<p>The rules of the LTI Plan include specific provisions dealing with rights issues, bonus issues, and corporate actions and other capital reconstructions. #### Under section 200E of the Corporations Act, the Company provides the following additional information:

- If shareholder approval is obtained, the value of the approved benefits will be disregarded when calculating Brett McKeon's and Malcom Watkins' termination benefits cap for the purposes of section 200F(2)(b) or section 200G(1)(c) of the Corporations Act.

### Director Recommendation

The Board (with Brett McKeon and Malcom Watkins abstaining) recommends that you vote **in favour** of the resolution to approve the grant of Performance Rights under the 2019 LTI Award to the Executive Directors.

## 6) Proportional Takeover Approval Provisions

This item of business involves the reinsertion of the proportional takeover provisions contained in rule 6 of the Company's Constitution.

Under the Corporations Act, such provisions must be reinserted every three years. The provisions were first incorporated in the Constitution approved at the general meeting of the Company on 24 April 2015. Therefore, the provisions currently contained in rule 6 of the Constitution have expired. It is for this reason that shareholder approval is sought for the reinsertion of the proportional takeover provisions.

The Corporations Act requires that the following information be provided in this notice of meeting.

### Effect

The effect of the proportional takeover approval provisions is to require the Directors to convene a meeting of shareholders in the event that a proportional takeover bid is made for the Company.

A proportional takeover bid is a takeover offer made to all shareholders, but only in respect of a specified portion of each shareholder's shares. The purpose of the meeting of shareholders is to vote on a resolution to approve the takeover bid. If the resolution is rejected by shareholders, then the bid will be deemed to be withdrawn and registration of any transfer of shares resulting from the bid will be prohibited. Acceptances will be returned and any contracts formed by acceptances will be rescinded. If the resolution is approved, transfers of shares to the bidder will be registered provided they comply with other provisions of the Company's Constitution.

If the resolution is not voted on at least 14 days before the closure of the bid, then the resolution will be deemed to have been approved. The bidder and associates will be precluded from voting on the resolution.

If the proportional takeover approval provisions are approved at the Meeting, they will expire after three years, unless refreshed by shareholders by special resolution.

### Reasons for Inclusion

The reason rule 6 was included in the Constitution previously, and is proposed to be reinserted, is that a proportional takeover bid may result in effective control of the Company changing hands without shareholders having the opportunity to dispose of all their shares. Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their shares, while leaving themselves as part of minority interests in the Company.

The provisions give shareholders the opportunity to decide whether a proportional takeover bid is acceptable and should be allowed to proceed.

### Present Acquisition Proposals

As at the date of this statement, no Director of the Company is aware of any proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

### Potential Advantages and Disadvantages

The provisions enable the Directors to ascertain the views of shareholders on a proportional takeover bid. Other than as set out below consistent with the interests of shareholders, there is no specific advantage or disadvantage for the Directors of reinserting the proportion takeover approval provisions.

The provisions ensure that shareholders will have an opportunity to study a proportional takeover bid proposal and vote on whether it should be permitted to proceed. As a consequence, the terms of any future proportional bids are likely to be structured to be attractive to a majority of shareholders who are not associated with the bidder.

As to the possible disadvantages of the provisions for shareholders, it could be argued that they make a proportional takeover more difficult to achieve and therefore proportional bids will be discouraged. This in turn may reduce opportunities which shareholders may have to sell some of their shares at an attractive price to persons seeking control of the Company and may reduce any element of takeover speculation in the Company's share price. It may also be argued that the provisions constitute an additional restriction on the ability of shareholders to deal freely with their shares. While the Company's Constitution included proportional takeover provisions for 3 years from 24 April 2015, the provisions were never used. Accordingly, the experience to date has no bearing or impact on the advantages or disadvantages discussed in these explanatory notes.

The resolution to adopt the proportional takeover approval provisions is a special resolution and, to be passed, requires a 75% majority of the votes cast by shareholders entitled to vote on the resolution.

### Directors' Recommendation

The Board recommends that shareholders vote **in favour** of the special resolution to reinsert the proportional takeover approval provisions in rule 6 of the Company's Constitution for a further three years.

## HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM

### YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

### APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

### DEFAULT TO CHAIRMAN OF THE MEETING

If you leave this section blank, or your named proxy does not attend the Meeting, the Chairman of the Meeting will be your proxy. If your named proxy attends the Meeting but does not vote on a poll on a resolution in accordance with your directions, the Chairman of the Meeting will become your proxy in respect of that resolution. A proxy need not be a shareholder of the Company.

### PROXY VOTING BY THE CHAIRMAN OF THE MEETING

On a poll, the Chairman of the Meeting will vote directed proxies as directed and may vote undirected proxies as the Chairman of the Meeting sees fit. If the Chairman of the Meeting is your proxy or becomes your proxy by default, and you do not provide voting directions, then by submitting the Proxy Form you are expressly authorising the Chairman of the Meeting to exercise your proxy on resolutions that are connected directly or indirectly with the remuneration of KMP

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.
