OneVue Holdings Limited (ASX: OVH) (OneVue)

4 February 2020

## OneVue Update on Sargon receivable

---

OneVue has been advised that voluntary administrators (Stewart McCullum and Adam Nikitins of Ernst & Young) were appointed late yesterday afternoon to a number of the subsidiaries of Sargon Capital Pty Limited (Sargon). The appointments include the entity over which OneVue holds its secured interest in relation to the Sargon receivable.

OneVue has today formally appointed Chris Hill and Daniel Walley of PwC to act as its receivers and managers in order to protect its rights under its secured interest.

We understand that the Sargon trustee and regulated businesses are not in voluntary administration or receivership, and continue to trade as normal.

The receivers will be conducting an urgent assessment of the overall position with respect to Sargon and we will continue to keep the market updated as more information comes to hand.

This announcement was authorised for release to the market by the Board of OneVue Holdings Limited.
