About Abundant Produce Limited

Abundant Produce Limited (ASX: ABT) develops agricultural intellectual property, creating superior seeds and producing skin care products based on natural vegetable extracts. Based in Sydney and Cobbitty (at the University of Sydney's Plant Breeding Institute), Abundant breeds superior vegetable seeds for food producers, and vegetable plants for their active extracts.

Abundant specialises in breeding hybrid greenhouse vegetables with better yield, disease resistance, temperature tolerance, taste, texture, colour and shape, developing innovative products to target demand for highly productive food crops that thrive in low-tech conditions.
