### Release of unaudited comparative results under AASB 17

nib holdings limited (nib) (ASX: NHF) adopted AASB 17 *Insurance Contracts* on 1 July 2023 on a retrospective basis. On 26 February 2024, nib released its FY24 Interim Report and FY24 half year results investor presentation and restated the comparative period under AASB 17.

To assist investors, nib is today releasing unaudited prior period results for the following segments:

- Australian Residents Health Insurance
- International Inbound Health Insurance
- nib New Zealand

Underlying operating profit for nib Travel and nib Thrive was not impacted by the accounting standard change therefore comparative results for those segments are not provided.

The Group has adopted AASB 17 *Insurance Contracts* on a retrospective basis. As a result, the Group has restated certain comparative amounts in the financial results included in this presentation. These restatements are unaudited. Refer to nib's Appendix 4D and Interim Report and FY24 half year results investor presentation lodged to the ASX on 26 February 2024 for technical detail.

The distribution of this presentation including in jurisdictions outside Australia, may be restricted by law. Any person who receives this presentation must seek advice on and observe any such restrictions. Nothing in this presentation constitutes an offer or invitation to issue or sell, or a recommendation to subscribe for or acquire securities in any jurisdiction where it is unlawful to do so.

An investment in nib securities is subject to investment and other known and unknown risks, some of which are beyond the control of nib. nib does not guarantee any particular rate of return or the performance of nib securities. Shareholders should note that past performance of nib, including the historical trading price of nib's shares, cannot be relied upon as an indicator of (and provides no guidance as to) future performance, including the future trading price of nib shares.

#### No representation or warranty

No representation or warranty, express or implied, is made as to the fairness, accuracy, reliability, completeness or correctness of information contained in this presentation, including the accuracy, likelihood of achievement or reasonableness, fairness, accuracy, reliability, completeness or correctness of any forecasts, prospects, returns or statements in relation to future matters contained in this presentation (forward-looking statements).

Whilst the forward-looking statements are based on current views, expectations and beliefs as at the date they are expressed, such forward-looking statements are by their nature subject to significant uncertainties and contingencies and are based on a number of estimates and assumptions that are subject to change (and in many cases are outside the control of nib and its Directors), which may cause the actual results or performance of nib to be materially different from any future results or performance, expressed or implied, by such forward-looking statements. Accordingly, there can be no assurance or guarantee that these forward-looking statements will be realised.

In particular, readers are cautioned not to place undue reliance on forward-looking statements, particularly in light of current economic uncertainties, disruption caused by the lingering impacts of the COVID-19 pandemic in addition to the conflict in Ukraine, Middle East and geo-political uncertainty. nib is under no obligation to update any of the forward-looking statements contained within this presentation, subject to applicable disclosure requirements.

#### No advice

This presentation provides information in summary form only and is not intended to be complete. It is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor.

#### **Basis of preparation**

The financial information disclosed has been prepared on a statutory basis. Due care and consideration should be undertaken when considering and analysing nib's financial performance. All references to dollars are to Australian Dollars unless otherwise stated.

#### No liability

To the maximum extent permitted by law, neither nib nor its related bodies corporate, Directors, officers, employees or agents, nor any other person, accepts any liability (direct, indirect or consequential) including, without limitation, any liability arising from fault or negligence, for any loss whatsoever arising from the use of this presentation or its contents or otherwise arising in connection with it (whether foreseeable or not).

#### Other information

This presentation should be read in conjunction with other publicly available material. Further information including historical results and a description of the activities of nib is available on our website: nib.com.au/shareholders.

As referenced in this presentation, if there is a percentage increase or (decrease) between comparative periods, the change shown is the difference between those two percentages.

Any discrepancies between totals and sums of components in this publication are due to rounding.
