SCENTRE GROUP (ASX: SCG)

CORRECTION OF TYPOGRAPHICAL ERRORS | 2023 REMUNERATION REPORT

The Annual Financial Report released on 21 February 2024 contains two typographical errors in the Remuneration Report on page 50 (the Group scorecard) and on page 52 (LTVR outcomes). These have no impact on the remuneration outcomes for executive KMP.

- On page 50, in the section on Financial measures in the Group’s scorecard, the Funds From Operations (FFO) target of 20.75c is correctly stated in the commentary on that measure. The infographic should read 20.75c (not 20.25c).
- On page 52, under the column “Year 2 – 2022 outcome”, consistent with the disclosure in the 2022 report, the section on Result should read “Year 2 of the ROCE hurdle vested at 125% of target opportunity” (not 105%).
