EXPLANATORY NOTES

These Explanatory Notes have been prepared in relation to the items of business to be conducted at the AGM.

The purpose of these Explanatory Notes is to provide Shareholders with the information that is reasonably required by Shareholders to decide how to vote upon the resolutions being put forward at the AGM.

Resolutions 1, 2, 3, 4 and 5 are ordinary resolutions which require a simple majority of votes cast by Shareholders entitled to vote on the Resolution.

Financial Statements and Reports

The Corporations Act requires that:

- the reports of the Directors and Auditor; and
- the Annual Financial Report, including the Financial Statements of the Company for the year ended 31 December 2023,

to be laid before the Annual General Meeting. Neither the Corporations Act nor the Company's Constitution requires a vote of Shareholders on the reports or statements. However, Shareholders as a whole will be given an opportunity to raise questions or comments on the management of the Company.

Shareholders, as a whole, will also have a reasonable opportunity to ask the Company's auditor, Ernst & Young, questions regarding the conduct of the audit, the preparation and content of the Independent Auditor's Report, the accounting policies adopted by the Company in the Financial Report, and the independence of the auditor.

The Company's Annual Financial Report for the year ended 31 December 2023 (including the Director's Report and the Independent Auditor's Report) is included in the Company's 2023 Annual Report. Shareholders can access a copy of the Company's 2023 Annual Report via the Company's website at: https://www.29metals.com/investors/agm.

Resolution 1

Adopt 2023 Remuneration Report

The Company's 2023 Remuneration Report is set out on pages 110-134 of the Company's 2023 Annual Report, and outlines the remuneration policies of the Company and reports on the remuneration arrangements and outcomes for the Company's *key management personnel* (**'KMPs**') during the year ended 31 December 2023.

Shareholders, as a whole, will have a reasonable opportunity at the AGM to ask questions about, or make comments on, the Company's 2023 Remuneration Report.

The vote on the resolution is advisory only and does not bind the Directors or 29Metals. However, the Board will take into account the outcome of the vote when considering future remuneration arrangements.

Recommendation

The Directors abstain from making a recommendation on this Resolution in the interests of good corporate governance.

Resolution 2

Issue of 2023 STI Performance Rights to Peter Albert, Managing Director & CEO (to retire)

Resolution 2 seeks Shareholder approval for the issue of securities to Peter Albert under the Company's short term incentive ('STI') plan for 2023. As at the date of this Notice of Meeting, Peter is 29Metals' Managing Director & CEO, being a person that falls within Listing Rule 10.14.1.

As announced on 14 December 2023, Peter will retire on 30 April 2023. Under the terms agreed between Peter and the Board, Peter remained eligible to participate in the 2023 STI, in recognition that Peter was employed throughout the 2023 performance period and earned remuneration for past performance. The Board has determined Peter's 2023 STI outcome and, in so doing, has determined that it is in the best interests of the Company for Peter's 2023 STI award to be delivered in the form of deferred equity, the subject of this resolution.

Consistent with prior years, if shareholders do not approve the proposed award of performance rights to Peter under the Company's STI pursuant to this resolution, Peter's 2023 STI outcome will be delivered as cash.

Overview of the proposed 2023 Short Term Incentive Award to Mr Albert

Subject to Shareholder approval, 29Metals proposes to award and grant 803,010 unquoted performance rights to Peter for nil consideration subject to the 29Metals Equity Incentive Plan Rules ('Plan Rules') (the '2023 STI Award'). The proposed award is in respect of the 2023 STI outcome for Peter as determined by the Board.

Each performance right will entitle Peter to one fully paid ordinary share in the Company if the vesting conditions are met.

The Company's remuneration framework provides that 2023 STI outcomes are delivered to executive KMPs (including the Managing Director & CEO) as a combination of cash and/or equity, subject to the Board's overall discretion. In considering the remuneration outcomes for 2023 and the financial position of the Company, the Board determined that 100% of the 2023 STI outcome for Peter will be delivered in the form of deferred equity (performance rights).

The 2023 STI award outcome is determined by the Board's assessment of performance against specific performance metrics (or '**KPIs**') set for the relevant STI performance period (i.e. 1 January 2023 to 31 December 2023). Details of the 2023 STI Award, including the performance KPIs set by the Board for 2023 and the Board's assessment of performance against those KPIs, is described in section 4.3 of 29Metals' Remuneration Report for the year ended 31 December 2023.

The number of performance rights proposed to be awarded to Peter for the 2023 STI Award has been calculated by dividing the nominal face value of Peter's 2023 STI award outcome (being, \$554,077) by \$0.69. In determining 2023 STI outcomes, the Board determined to apply a price-per-performance-right of \$0.69 on the basis that:

- first, \$0.69 was the price applied in the Company's successful capital raising in 2023 and, therefore, represented the price recently paid by shareholders; and
- secondly, it represented a substantial premium to the prevailing price of the Company's shares trading on the ASX at the
 time of the 2023 STI award decision and, in so doing, provided a mechanism to ensure that a significant improvement in
 share price would be required in order that eligible KMPs realise the nominal face value of 2023 STI award outcomes.

The performance period, vesting date and performance conditions for the 2023 STI Award are summarised in the table below.

Vesting Date	31 December 2024
Vesting Period	Period commencing 1 January 2024 and ending 31 December 2024
Vesting conditions	If approved, performance rights awarded to Peter will vest following 31 December 2024. Vesting of performance rights remain subject to clawback and malus provisions under 29Metals' Equity Incentive Plan.

Additional information for Resolution 2

The Company is required under ASX Listing Rules to provide additional information relating to the proposed issue of securities under the 29Metals Equity Incentive Plan to Peter Albert. This additional information is provided in Annexure A.

Recommendation

The Directors (with Peter abstaining) unanimously recommend that Shareholders vote in favour of this Resolution.

Voting exclusion statement

Voting restrictions apply in relation to this Resolution and are described on page 7.

Resolution 3

Issue of Securities under the 29Metals Equity Incentive Plan

Resolution 3 seeks shareholder approval for the issue of securities to 29Metals' eligible employees under the 29Metals Equity Incentive Plan.

Overview of the 29Metals Equity Incentive Plan

29Metals adopted Equity Incentive Plan Rules ('Plan Rules') prior to its listing on the ASX on 2 July 2021. The Plan Rules provide a framework pursuant to which 29Metals may award employees with equity-based remuneration components intended to:

- assist with motivating and retaining selected employees of the 29Metals group; and
- align the interests of eligible incentive plan employees more closely with the interests of 29Metals by providing an opportunity to receive an equity interest in the Company.

Under the Plan Rules, and subject to the discretion of the Board, eligible incentive plan employees may be offered awards of performance rights, restricted shares, shares or options, which may be subject to vesting conditions set by the Board.

ASX Listing Rule approval requirements

ASX Listing Rule 7.1 prohibits an entity from issuing more than 15% of its securities in any 12-month period without obtaining shareholder approval (unless an exception applies).

ASX Listing Rule 7.2, Exception 13, provides that an issue of securities under an employee incentive scheme will not count towards the 15% placement capacity if, within three years before the issue date, holders of ordinary securities have approved the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

Shareholder approval under ASX Listing Rule 7.2, Exception 13, was previously obtained at the Company's 2022 AGM, which approval was limited to maximum number of securities proposed to be issued of 7,000,000 ('Maximum Limit'), as outlined in the Notice of Meeting for the 2022 AGM.

The Maximum Limit will shortly be reached. Accordingly, this resolution seeks shareholder approval to refresh the Company's ability to issue securities under the Plan Rules under ASX Listing Rule 7.2, Exception 13.

Additional information

The Company provides the following additional information relating to the proposed issue of securities under the 29Metals Equity Incentive Plan.

- (a) **Summary of Plan Rules**: A summary of the material terms of the Plan Rules is provided in Annexure B of this Notice of Meeting. A full copy of the Plan Rules was released to the ASX Announcements Platform on 2 July 2021.
- (b) Number of equity securities issued under the Plan Rules since the 2022 AGM: 4,746,479 securities (including performance rights and shares issued on vesting of performance rights).
 - The number of performance rights awarded under Plan Rules since the 2022 AGM (cited above), does not include the proposed award of performance rights to Peter Albert under the 2023 STI Award, which proposed award is the subject of Resolution 2 (above).
- (c) Maximum number of equity securities proposed to be issued under the Plan Rules, following approval: 27,000,000.
- (d) What happens if this resolution is approved by shareholders: issues of securities under the Plan Rules during the three-year period after the AGM will fall under ASX Listing Rule 7.2, Exception 13. As such, securities issued under the Plan Rules (including shares issued upon vesting of performance rights) will not affect 29Metals' ability to separately issue up to 15% of its total ordinary securities in any 12-month period without having to obtain shareholder approval. An approval under this Resolution is only available to the extent that:
 - any issue of equity securities under the Plan Rules does not exceed the maximum number of securities proposed to be issued which is set out in paragraph (c) (above); and
 - there is no material change to the terms of the Plan Rules.
- (e) What happens if this resolution is not approved by shareholders: the issue of securities under the Plan Rules will be included in calculating 29Metals' 15% capacity under ASX Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the issue of any securities under the Plan Rules.

Recommendation

The Directors (with Peter Albert abstaining) unanimously recommend that Shareholders vote in favour of this Resolution.

Voting exclusion statement

Voting restrictions apply in relation to this Resolution and are described on page 7.

Resolution 4

Re-election of Director, Jacqueline 'Jacqui' McGill AO (BSc, MBA)

Jacqui has served as an Independent Non-executive Director of 29Metals since 27 May 2021.

Additional information for Resolution 2

The Company provides the following additional information relating to the proposed issues of securities under the 29Metals Equity Incentive Plan to Peter Albert.

- (a) Number and class of securities: 803,010 unquoted performance rights are proposed to be issued to Peter under the 2023 STI Award. Subject to, and upon vesting, each performance right converts to one fully paid ordinary share.
- (b) Remuneration details: As at the date of this Notice of Meeting, Peter's current total remuneration package comprises:
 - Total annual fixed remuneration ('TFR') of \$947,141 paid monthly (pro rata) until Peter's retirement on 30 April 2024; and
 - Pursuant to the CEO transition terms agreed between the Board and Peter, in consideration of supporting the transition, and including payments in lieu of notice, Peter will receive payments totalling approximately \$903,000 (along with payments for accrued statutory entitlements).

For completeness, Peter is not eligible to participate in the 2024 STI or 2024 long term incentive ('LTI'), and all unvested performance rights awarded to Peter previously under the 2021, 2022 and 2023 LTI will be forfeited on retirement and lapse unvested (refer section 'c' below for further details of prior awards).

Information regarding Peter's 2023 remuneration, including the CEO transition terms, is set out in 29Metals' 2023 Remuneration Report, a copy of which is contained within the 2023 Annual Report which is available on 29Metals website at https://www.29metals.com/investors/agm.

- (c) Number of securities previously issued to Peter Albert under the Plan Rules: 29Metals has previously issued the following securities to Peter under the Plan Rules:
 - 200,000 IPO Restricted Shares at nil acquisition price;
 - 45,000 performance rights awarded under the Staff Offer Incentive implemented by the Board in connection with the 29Metals IPO, whereby all eligible 29Metals employees were awarded performance rights with a nominal cash value at award equal to 10% of TFR and applying the final IPO offer price of \$2.00 per share at nil acquisition price,

the details of the above securities are set out in sections 7.3.3.5 and 7.3.5 of the Prospectus, and:

- 182,926 performance rights awarded under the Company's 2021 long term incentive award at nil acquisition price;
- 328,467 performance rights awarded under the Company's 2022 long term incentive award, at nil acquisition price;
- 427,366 performance rights awarded under the Company's 2023 long term incentive award, at nil acquisition price,

all of which will be forfeited on retirement and lapse unvested, and:

 145,304 performance rights awarded under the Company's 2022 short term incentive award at nil acquisition price. (d) Additional information regarding the performance rights: The performance rights are not quoted on the ASX and carry no voting or dividend rights.

Shares issued upon vesting of the performance rights will rank equally with fully paid ordinary shares on issue. In determining the 2023 STI outcome for Peter, the Board determined that the delivery of 2023 STI outcomes in the form of deferred equity (performance rights) was in the best interests of the Company, and in particular it would result in the realisation of the remuneration benefit being deferred and, a price-per-performance right being set which is at a significant premium to the prevailing price of the Company's shares at the time of the proposed award decision, providing a mechanism to ensure a significant improvement in performance was required in order for Peter to realise the nominal face value.

The nominal face value of the 2023 STI Award is \$554,077 (calculated by multiplying the price determined by the Board of \$0.69 for the award, by the number of performance rights proposed to be awarded).

- (e) Timing for issue: Subject to shareholder approval, performance rights under the 2023 STI Award will be issued to Peter following the AGM, but in any event no later than three years after the date of the AGM.
- (f) Issue price: The issue price of the performance rights under the 2023 STI Award is nil.
- (g) Material terms of the Plan Rules: A summary of the material terms of the 29Metals Equity Incentive Plan is provided in Annexure B. There has not been any material change to the 29Metals Equity Incentive Plan since the date of the Company's Prospectus.

The proposed award of performance rights to Peter under the 2023 STI will not be subject to any service condition.

- (h) Loans to Peter Albert: No loan will be made to Peter in relation to the acquisition of the performance rights under the 2023 STI Award.
- (i) Information regarding issue of securities: Details of any securities issued under the 29Metals Equity Incentive Plan will be published in the 29Metals annual report relating to the period in which they were issued, along with a statement that Shareholder approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in 29Metals' Equity Incentive Plan after Resolution 2 is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

(j) What happens if Resolution 2 is approved: 29Metals will proceed with the 2023 STI Award and 803,010 unquoted performance rights will be issued to Peter on the terms and conditions described above.

- (k) What happens if Resolution 2 is not approved: In the event that Shareholders do not approve the proposed award of performance rights to Peter under the 2023 STI, consistent with prior years, the Board has determined that the 2023 STI outcome will be delivered as a cash payment of \$554,077 (being, the nominal face value of the proposed award) and will be subject to the vesting period that would have applied to performance rights awarded under the 2023 STI and, as such, the payment would be remitted in early 2025.
- (I) ASX Listing Rule approval requirements: Under ASX Listing Rule 10.14, certain persons, including executive Directors, are not permitted to acquire equity securities under an employee incentive scheme unless approved by Shareholders.

Resolution 2 seeks approval for the acquisition of equity securities by Peter Albert under the Plan Rules, on the basis that on the date of the determination of the proposed award of performance rights (and the date of this notice of meeting) Peter was and is an executive director. For completeness, it is noted that, as announced on 14 December 2023, Peter will retire as Managing Director & CEO on 30 April 2024 and, as such, will no longer be an executive director on the date of the AGM.
