## **Disclaimer**

#### IMPORTANT NOTICE

This presentation has been prepared by Ainsworth Game Technology Limited ACN 068 516 665 (AGT) in good faith. No express or implied warranty is given as to the accuracy or completeness of the information in this document or the accompanying presentation. All statutory representations and warranties are excluded, and any liability in negligence is excluded, in both cases to the fullest extent permitted by law. No responsibility is assumed for any reliance by any person on this document or the accompanying presentation.

#### **Summary information**

The information contained in this presentation is a summary overview of the current activities of AGT. This presentation does not purport to be all inclusive or to contain all the information that a prospective investor may require in evaluating a possible investment. This presentation is for general information purposes and is not intended to be and does not constitute a prospectus, product disclosure statement, pathfinder document or other disclosure document for the purposes of the Corporations Act and has not been, and is not required to be, lodged with the Australian Securities & Investments Commission. This presentation should be read in conjunction with all other periodic and continuous disclosure announcements lodged by AGT with the Australian Securities Exchange, available at www.asx.com.au.

#### Not financial product advice

The material contained in this presentation is not, and should not be considered as, financial product or investment advice. This presentation is not an offer, invitation or recommendation to acquire New Shares, and does not take into account the investment objectives, financial situation or particular needs of any particular investor. You must make your own independent assessment and review of AGT, and the information contained, or referred to, in this presentation, including its financial condition, assets and liabilities, financial position, profits and losses, prospects and business affairs, including the merits and risks involved. Nothing in this presentation constitutes investment, legal, tax or other advice. You should seek legal, financial, tax and other advice appropriate for your jurisdiction.

#### Past and future performance

This presentation contains information as to past performance of AGT. Such information is given for illustrative purposes only, and is not – and should not be relied upon as – an indication of future performance of AGT. The historical information in this presentation is, or is based upon, information contained in previous announcements made by AGT to the market. These announcements are available at www.asx.com.au.

This presentation contains certain "forward looking statements". Forward looking words such as "expect", "should", "could", "may", "will", "believe", "forecast", "estimate" and other similar expressions are intended to identify forward-looking statements. Such statements are subject to various known and unknown risks, uncertainties and other factors that are in some cases beyond AGT's control. These risks, uncertainties and factors may cause actual results, performance or achievements to differ materially from those expressed or implied by the forward-looking statements and from past results, performance or achievements. AGT cannot give any assurance or guarantee that the assumptions upon which management based its forward-looking statements will prove to be correct or exhaustive beyond the date of its making, or that AGT's business and operations will not be affected by other factors not currently foreseeable by management or beyond its control. Such forward-looking statements only speak as at the date of this announcement and AGT assumes no obligation to update such information.

# Continuing strong growth in International revenue and profitability, predominately in the Americas

#### **Historical Financial Performance**

\*Note: NPAT for H2 FY11 and H1 FY12 also excludes one off recognition of \$8.5 million and \$21.8 million in deferred assets.

# **Key Highlights**

Continued execution of a clear strategy: A more diversified Ainsworth is developing with an improving quality of recurring earnings and strong growth and profitability in international markets

- Stable FY16 results:
  - Total sales revenue of \$285.5m, +19%
  - International revenue \$204.0m, +38%
  - Domestic revenue \$81.5m, -12%
  - Excluding foreign currency gains and significant items outside ordinary business activities, underlying EBITDA was \$95.2m, +12%
  - Excluding forex gains: NPAT \$52.4m, flat on pcp. EPS was 17 cents per share, -23% on pcp.
- Continued strong growth in international businesses: now 71.5% of total revenue:
  - North Americas revenues up 34%, profit 29%: 15% growth in unit volumes and contribution from Nova Technologies in Class II gaming markets
  - Latin America revenues up 49%, profit up 68%, with 1,794 number of units on participation
  - Rest of World revenues up 25%, profit up 18%: 19% increase in unit volumes driven by improved NZ performance
- Focus on continuing growth in international business with new Las Vegas facility in operation, recovery through innovative game development in domestic markets and the delivery of the expected revenue synergies with Novomatic

### **Profit & Loss Summary**

- Strong international sales growth (+38% v pcp) offsetting challenging domestic market (-12% pcp)
- Gross Profit increased by 13% versus pcp. Pressure in domestic market offset by strong contributions from machines under participation and the Americas
- Gross Margin 60% consistent with H1FY16
- \$4.1m of significant items outside ordinary business activities are included in underlying EBITDA (\$3.1m pcp).
- 10 cents per share dividend declared, 58% payout ratio, fully franked
- Smaller post tax contributions from currency gains in FY16, \$3.3m v \$17.9m in FY15

| Depreciation and amortisation                              | 23.0                              | 16.3                              | 41%           |
| Reported EBITDA  | 95.8                              | 107.6                             | (11%)         |
| Foreign currency gains                                     | (4.7)                             | (25.6)                            | (82%)         |
| Due diligence costs on strategic opportunites/acquisitions | 1.2                               | 1.9                               | (37%)         |
| Impairment losses  | 2.2                               | 1.2                               | 83%           |
| Accelerated expenses for vacated premises in North America | 0.7                               | -                                 | 100%          |
| Underlying EBITDA  | 95.2                              | 85.1                              | 12%           |

\$4.1m significant items outside ordinary business activities are as follows:

- Due diligence costs include evaluating strategic investment opportunities and Nova acquisition
- Impairment losses recognised for a prior period receivable where payments had fallen into arrears
- Accelerated expenses related to vacated premises in North America until the expiry of the lease following completion of the Group's new facility in Las Vegas

## **Operating Costs**

|                              | FY16  | FY15 | Variance |
|------------------------------|-------|------|----------|
| Sales, service and marketing | 52.0  | 38.9 | 34%      |
| R&D                          | 28.6  | 25.4 | 13%      |
| Administration               | 19.8  | 18.6 | 6%       |
| Total Operating costs        | 100.4 | 82.9 | 21%      |

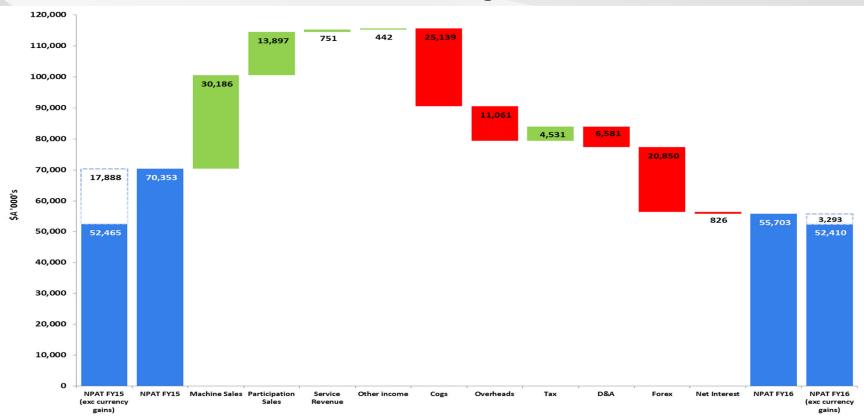

- Increase in Sales, service and marketing primarily due to:
  - Nova expenses as part of the integration to Ainsworth business
  - Additional sales/ technical representation in Americas in line with revenue increases and new licenses
  - Full year depreciation impact on gaming machines under gaming operations
- Increase in R&D expenses due to new product initiatives carried out during the year

#### **Staff Headcount**

| Total Staff Numbers - Australia & Rest of the World | 344   | 349  | Total Staff Numbers - North and Latin<br>America | 196  | 141  |

## **Net Profit Bridge**

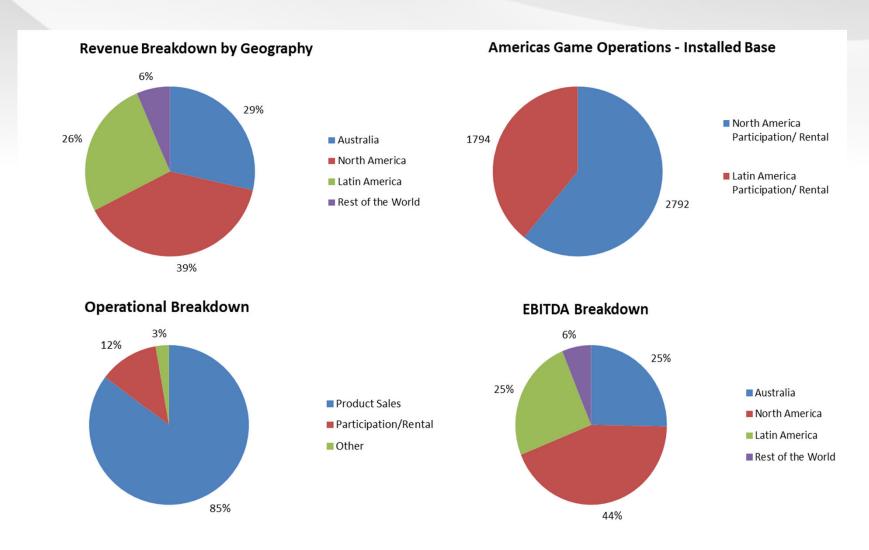

(1) Calculation of after tax currency gains; FY15 (\$25.6m x 0.7 = \$17.9m), FY16 (\$4.7m x 0.7 = \$3.3m)

- \$20.9m forex represents a decrease in foreign currency gains in FY16 of \$4.7m (versus \$25.6m pcp)
- \$6.6m increase in D&A reflects rise in number of machines placed under participation of which \$2.1m relates to machines placed under Class II market, \$0.6m depreciation in the LV multi purpose built facility and \$1.4m amortisation of intangible assets acquired through Nova
- \$4.5m decrease in tax expense due to decrease in foreign exchange gains
- \$52.4m currency adjustment in FY16 (versus \$52.5m pcp). Excludes \$3.3m after tax currency gains (versus \$17.9m pcp) (1)

## Ainsworth at a Glance

#### **Balance Sheet**

- 18% Return on Equity. 17% return on equity based on normalised PAT (excludes foreign currency gains - 19% pcp)
- A\$90m debt facility to fund working capital, A\$67.8m drawn; \$54.2m was drawn to fund the acquisition of Nova Technologies LLC ("Nova")
- Increase in other non-current assets due to the finalisation of LV multi purpose built facility and PPE and intangible assets recognised through business combinations (Nova)

# **Segment Results - Australia**

- Challenging period for volume and revenue growth given highly competitive market conditions and minimal corporate and casino sales in FY16
- Sustainable growth in machines placed under service in NSW/ACT to 15,001 (14,059 pcp)
- An increase in ASP of 3% despite competitive domestic market
- Recovery in market share is expected to be driven by innovative new technologies

<sup>\*</sup>Excludes distributor sales

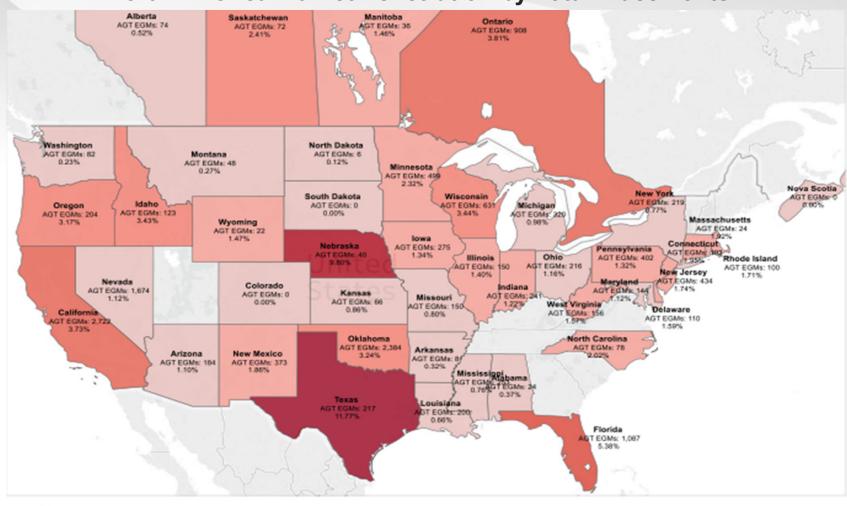

<sup>\*\*</sup>Includes units from acquisition of Nova Technologies, LLC

# **Nova Technologies – Entry into US Class II Market**

- Completed acquisition of Nova Technologies, LLC, on January 14, 2016
- Nova is a leading Class II US gaming technology company with 21 FTEs
- Provides a strong complementary fit with Ainsworth
- At the time of acquisition Nova had over 30 Class II titles, 1,425 units on participation and licenses to sell titles in 11 states and over 58 jurisdictions
- Since acquisition, Nova has provided Ainsworth an additional 1,511 units under gaming operation.
- Integration complete with pleasing contribution to FY16 results
- Scope to expand growth into new territories

# **North America Market Penetration by Total Placements**

# **Continued Development of Top Performing Brands in North America**

### **Top Performing Brands**

• All brands listed are performing at an average index of 1.0% to 2.2% of house average

# **Full Integration of Class II into Popular Ainsworth Hardware**

All cabinets above are currently available in Class II markets

# **Significant Development of Class II Titles**

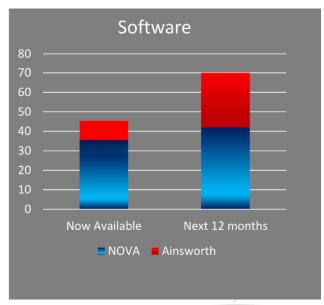

### **Segment Results – Americas**

Strong product acceptance and growth from jurisdictions across the region:

- 32% increase in units sold
- Mexico is largest market in region for AGI representing 32% of units sold
- Strong penetration in Argentina which represents +24% of unit sales
- 37% increase in the Gaming Operations install base.
- Mexico and Peru had the largest gains in install base
- Yield increased 27% to USD\$19 per day
- Continued growth in Caribbean markets

#### **Product Review**

#### Australia

- Strengthened our legacy product offering into New South Wales and Queensland across a number of established brands such as Double Shot™, Quad Shot™ & now Triple Shot™
- Releases new concept Win Storm™ in key markets and developing Mega Shot™ concept as a multi denomination product.
- Increase diversity of game concepts by introducing third party developed games to the reliable Ainsworth platform such as Lucky Ways™

#### **North America**

- Establishing Game Design and Graphic Arts teams in the Las Vegas office to develop North American unique product.
- Approval & Release of Key A600™ game link concept Cash Odyssey™
- Further develop successful brands such as Gold Awards Series & Sweet Zone on the A560SL™
- Release Licenced premium product on A640™ with participation Three Amigos™, Cinderella™ and King Kong™ on schedule for G2E

#### Latam

- The entire game portfolio produced excellent results with Quad Shot™, Piñata Pays™, Sweet Zone™ and MultiWin™ the stellar game brand performers
- Introduce LATAM specific Link product based on proven math models such as Dream Strike™ on A600™ platform
- Released Thunder Wilds™ on the A560SL™ platform as a Link

#### **Rest of World**

- A600<sup>™</sup> platform was launched in selected markets
- Product performance across all market segments remained at benchmark levels
- Notable game releases during the period were:
  - Grand Fortune™
  - Oriental Express™
  - Cash Odyssey™

## **Regulatory Update**

Continuing strategy to deliver new jurisdictions based on detailed market assessment of commercial opportunities.

From 1 July 2015 to current, the AGT group has secured the following new gaming licenses:

Bahamas New Mexico
Delaware Nova Scotia
Louisiana (Indian Gaming Unit) Puerto Rico

#### In addition 37 new tribal licences were secured across:

Alabama\* (1) Louisiana\* (4) Oregon (1) Arizona (1) Michigan (1) Texas\* (1)

California (5) New Mexico (2) Washington\* (7)

Florida (1) New York (1) Kansas (3) Oklahoma (9)

The AGT Group has submitted gaming license applications with the states of Colorado and Washington and additional tribal applications in California, Oklahoma, Texas and Washington.

<sup>\*</sup> Some or all are Class II licences

#### Online

Ainsworth's interactive strategy is focused on building revenue growth via the distribution of its best performing land based and innovative SL game titles both in real money gaming and social gaming. In addition, Ainsworth has capitalised on opportunities to grow the social gaming business by developing new game titles and signing third party licensing agreements.

#### Real Money Gaming:

- Successful integrations with platforms: Microgaming Ltd, NYX and iSoftbet
- 10 games provided for initial launch with above listed platforms have been performing well in their early stages
- Other opportunities in regulated European markets are in the early stages of assessment

#### Social Gaming:

- Ainsworth's second social casino, King Spin™ Slots App, was successfully launched in conjunction with 616 Digital LLC on Android and IOS
- The synergy between Ainsworth and 616 Digital has been reflected in the continuous strong performance of Players Paradise™ Slots App
- New content licensing agreements with Zynga and Playstudios/MGM Resorts

#### Outlook

Continued execution of a clear strategy: A more diversified Ainsworth is developing with an improving quality of recurring earnings and strong growth and profitability in international markets.

Stable FY16 results: Continued strong growth in international businesses: now 71.5% of total revenue

- Total sales revenue of \$285.5m, +19%
- International revenue \$204.0m, +38%
- North Americas revenues up 34%, profit 29%
- Latin America revenues up 49%, profit up 68%
- Domestic revenue \$81.5m, -12%
- Excluding forex gains: NPAT \$52.4m, flat on pcp. EPS was 17 cents per share
- Excluding foreign currency gains and significant items outside ordinary business activities, underlying EBITDA was \$95.2m, +12%

Focus on continuing growth in international business with new Las Vegas facility in operation, recovery through innovative game development in domestic markets and the progression to deliver on the expected synergies with Novomatic in FY17.

FY17 has started inline with expectations, trading update to be provided at the AGM.
