WHO WE ARE

Data analytics and customer
engagement platform

We collect and use data to
drive outcomes

Improve venue performance

Promote and drive loyalty

Increase operational efficiency

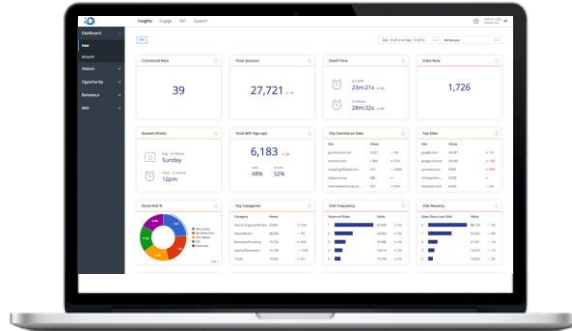

Improve customer experience

The Skyfii IO platform has 3 key elements

iOconnect

Data collection, secure guest access

iOinsight

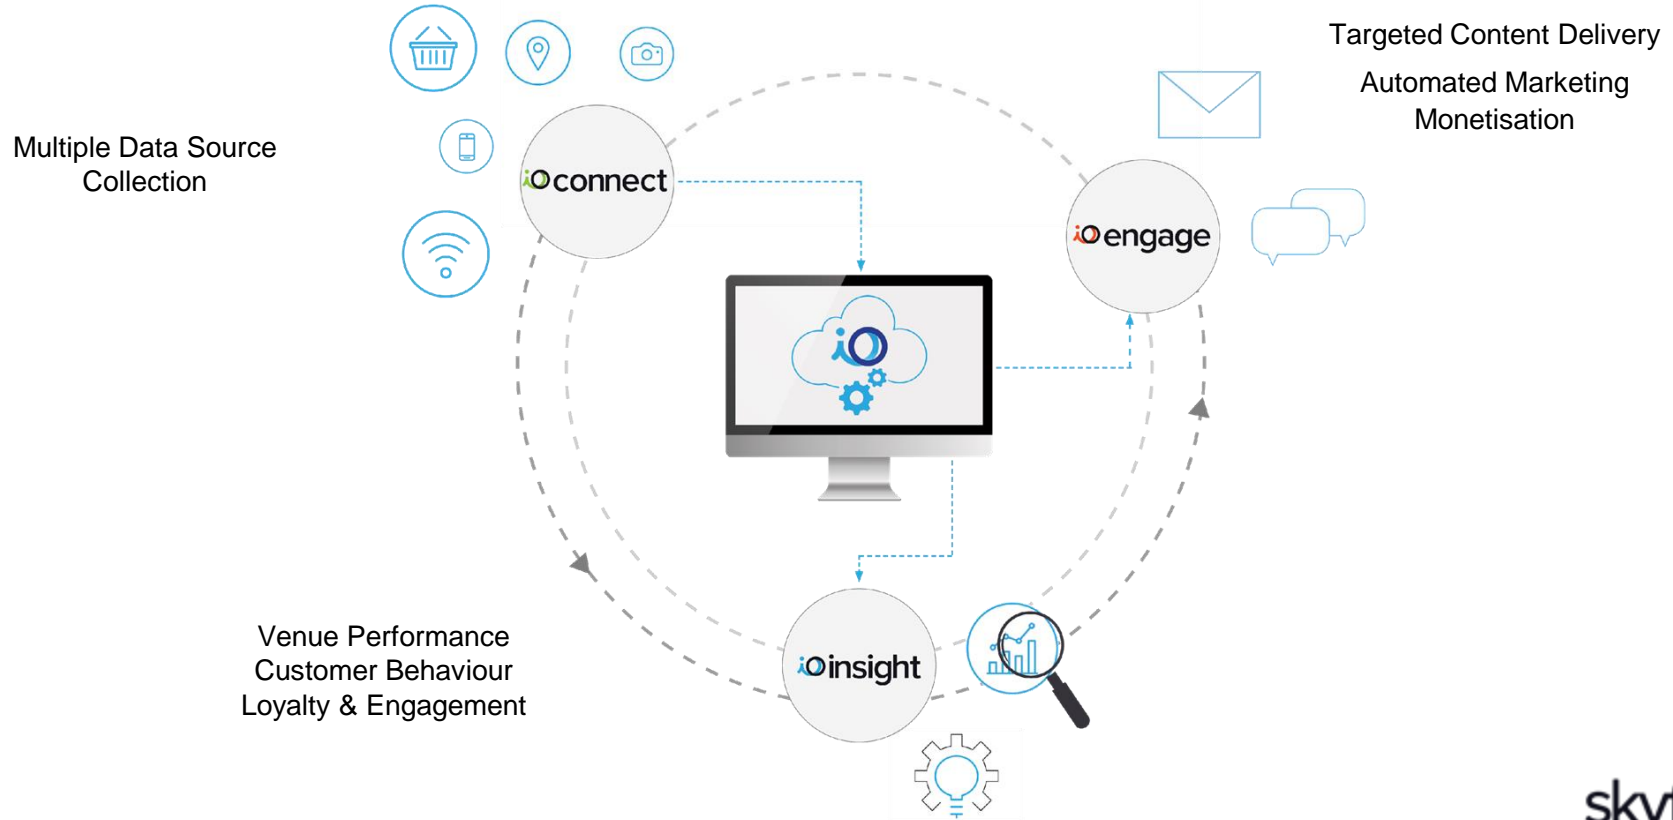

Real time customer behavioural analytics

iOengage

Data driven, location based marketing engagement

A single cloud-based solution

Revenue generated across 3 streams

1

SUBSCRIPTIONS

Recurring revenues on 3-5 year contracts
'IO platform'

- IO Connect (data collection)
- IO Insight (analytics)
- IO Engage (marketing)

2

TRANSACTIONS

Data as an ingredient to drive a sales or marketing outcome

- Advertising partnerships
- Agency integrations
- 3rd Party sponsorships

3

SERVICES

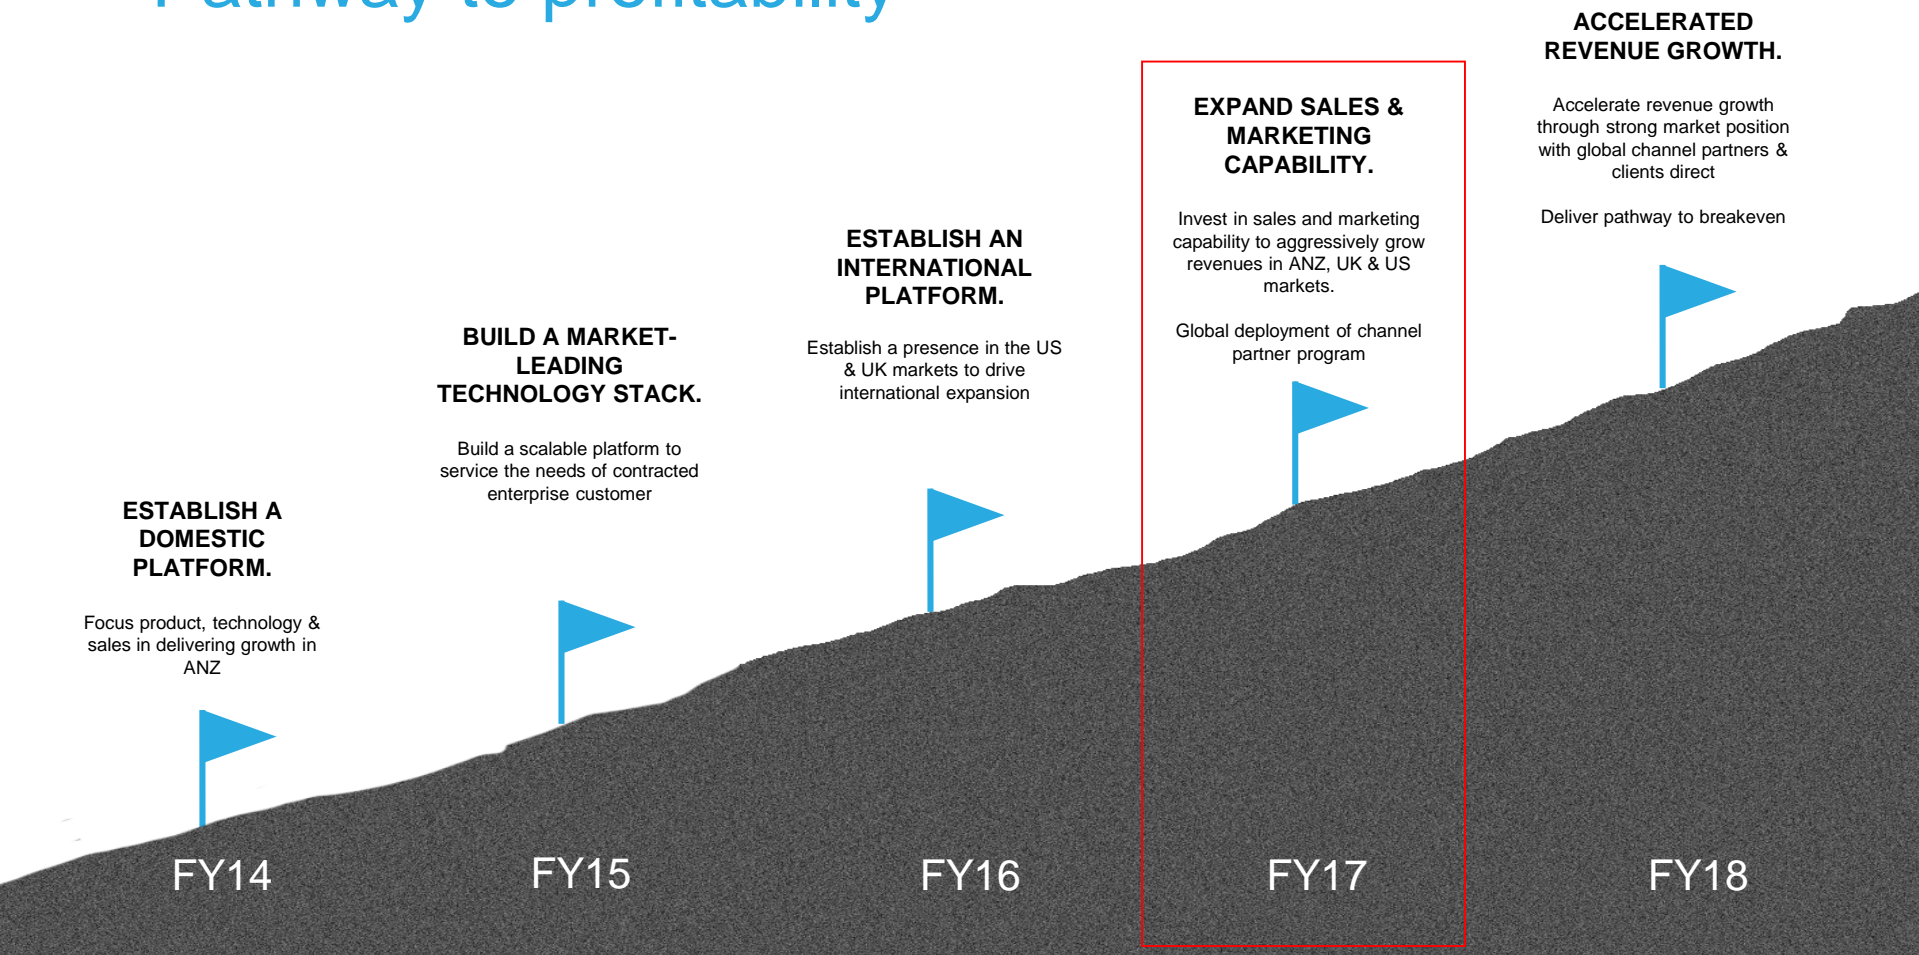

Helping drive business outcomes through effective use of data

- Data science consultancy
- Marketing services

Total business offering

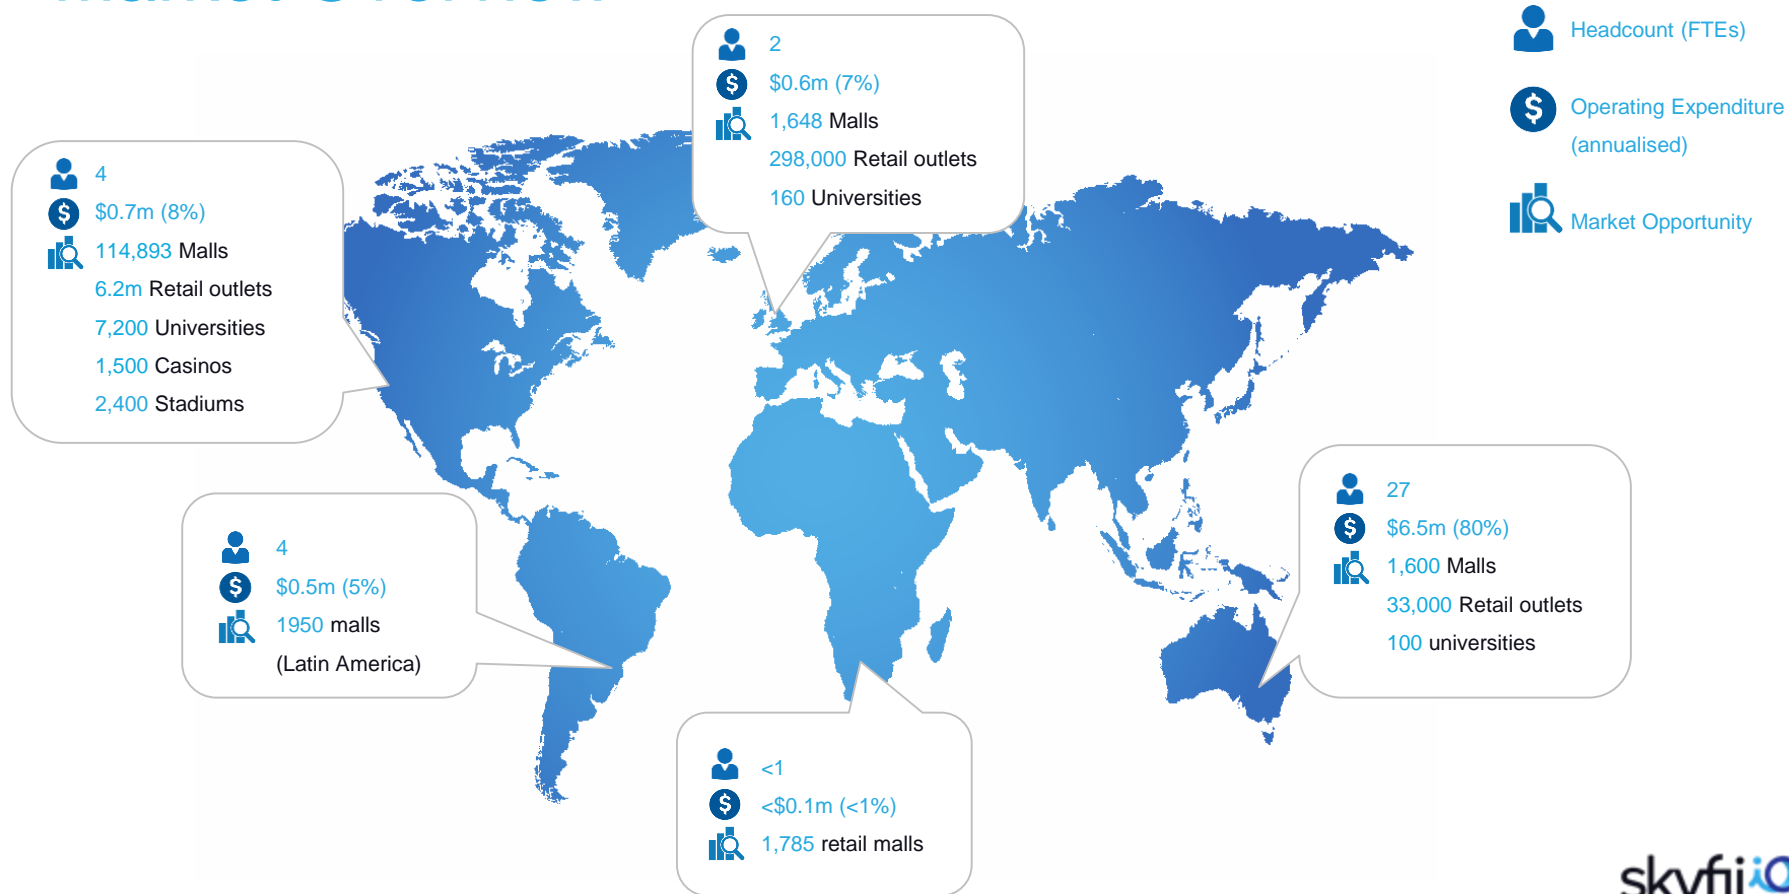

Pathway to profitability

COMPETITIVE LANDSCAPE

Competitive landscape

Skyfii IO is ahead of the trend – with features that matter most

CUSTOMER OUTCOMES

Improve customer retention

Goal:

Improve retention through engaging and rewarding shoppers

Action:

Analyzing in store customer behaviour and preferences to drive more effective marketing

Features:

Location & Gender specific offers driving higher food court consumption
Customer profiling via survey tool gathering timely, qualitative,

Outcome:

Higher food court consumption
Detailed customer survey data
Increase in loyalty membership base

Improve taxi queue wait times

Goal:

Understand taxi queue wait times over a period of time

How long are people queuing in total vs number of taxis available and staff on site

Action:

Using our time stamp and dwell time algorithms we can assess overall dwell time by devices within the specific queue areas

Outcome:

A detailed understanding of busiest times of day and days of week to assist in workforce planning and in advance notification to taxi ranks

Understand precinct usage

Goal:

Understand which areas of the University get more usage and dwell than others

How do students commute across campus and which routes are most common and lecture hall occupancy

Action:

Using our real time travel pathing capability and heat mapping feature we plot and predict zone based conversion and dwell time to identify key zones, travel paths and high dwell areas

Outcome:

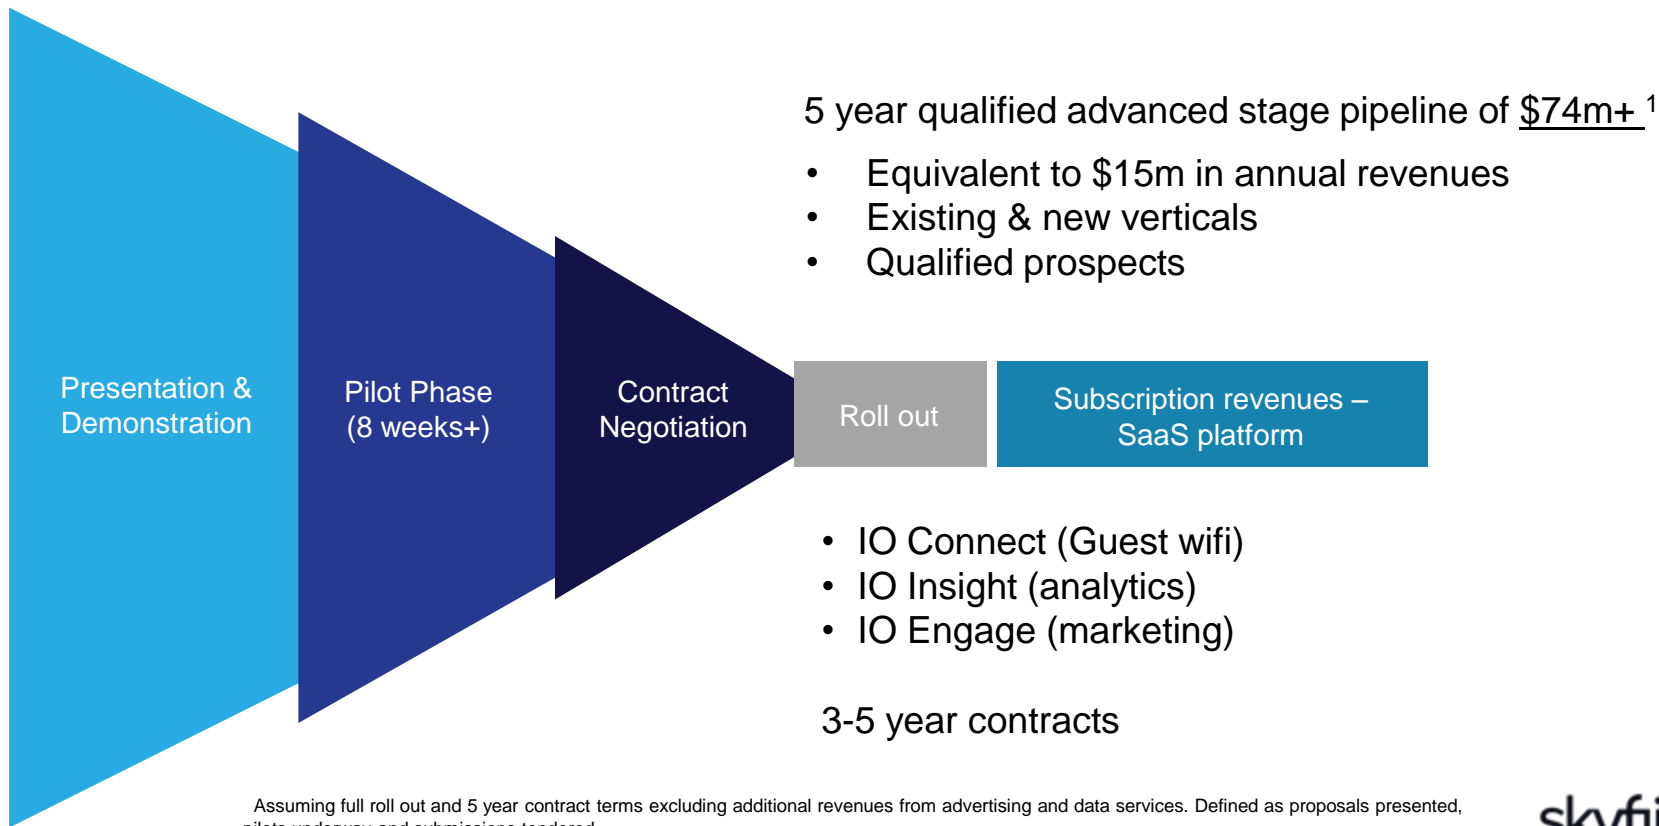

Determine a lack of students returning to boarding houses for pre paid lunches based on travel time. Optimise classroom occupancy and workforce management

OPERATING & FINANCIAL
HIGHLIGHTS

Qualified sales pipeline snapshot

Significant growth in operating revenues

Total revenues continue to grow with increased contribution from recurring revenue channels

- Strong growth in total operating revenues to A\$2.1m year to date in Q3 FY17 (A\$2.9m annualised based on Q3 FY17 YTD)
- Strong growth in recurring revenues to A\$1.4m for year to date in Q3 FY17 (A\$2.1m annualised based on Q3 FY17)
- Recurring revenues are generated from ongoing subscription fees for access to Skyfii's 'IO' data analytics platform
- Non-recurring revenues are generated from implementation and upfront setup fees and through the upsell of other transactions and services including marketing and content delivery tools and data science capabilities

Significant growth in recurring revenues

Recurring revenues from subscriptions and managed services continues to accelerate

- Strong growth in recurring revenues to A\$883k in 1HFY17, up 117% on pcp
- Current annualised recurring revenues of A\$2.1m, up 58% on pcp*

* Annualised based on Q3 FY17.

Strong growth in analytics and marketing capability

Data analytics grows to 130 million visits per quarter, marketing capability to 8.4 million users*

Quarterly Customer Visits (millions)

Total User Registrations (millions)

* As at 31 March 2017

Important Notice and Disclaimer

This presentation has been prepared by Skyfii Limited (ACN 009 264 699) (Skyfii or the Company). The information contained in this presentation is current at the date of this presentation. The information is a summary overview of the current activities of the Company and does not purport to be all inclusive or to contain all the information that a prospective investor may require in evaluating a possible investment. This presentation is for general information purposes and is not intended to be and does not constitute a prospectus, product disclosure statement, pathfinder document or other disclosure document for the purposes of the Corporations Act and has not been, and is not required to be, lodged with the Australian Securities & Investments Commission. It is to be read in conjunction with the Company's disclosures lodged with the Australian Securities Exchange.

The material contained in this presentation is not, and should not be considered as, financial product or investment advice. This presentation is not (and nothing in it should be construed as) an offer, invitation, solicitation or recommendation with respect to the subscription for, purchase or sale of any security in any jurisdiction, and neither this document nor anything in it shall form the basis of any contract or commitment. This presentation is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor which need to be considered, with or without professional advice, when deciding whether or not an investment is appropriate.

This presentation may contain information as to past performance of the Company. Such information is given for illustrative purposes only, and is not – and should not be relied upon as – an indication of future performance of the Company. The historical information in this presentation is, or is based upon, information contained in previous announcements made by the Company to the market.

This document contains certain "forward-looking statements". The words "anticipate", "believe", "expect", "project", "forecast", "estimate", "outlook", "upside", "likely", "intend", "should", "could", "may", "target", "plan" and other similar expressions are intended to identify forward-looking statements. Indications of, and guidance on, future earnings and financial position and performance are also forward-looking statements, as are statements regarding the Company's plans and strategies and the development of the market.

Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company, which may cause actual results to differ materially from those expressed or implied in such statements.

The Company cannot give any assurance or guarantee that the assumptions upon which management based its forward-looking statements will prove to be correct or exhaustive beyond the date of its making, or that the Company's business and operations will not be affected by other factors not currently foreseeable by management or beyond its control. Such forward-looking statements only speak as at the date of this announcement and the Company assumes no obligation to update such information. The release, publication or distribution of this presentation in jurisdictions outside Australia may be restricted by law. Any failure to comply with such restrictions may constitute a violation of applicable securities laws.

All references to dollars are to Australian currency unless otherwise stated.

To the maximum extent permitted by law, the Company makes no representation or warranty (express or implied) as to the accuracy, reliability or completeness of any information contained in this document. To the maximum extent permitted by law, the Company shall have no liability (including liability to any person by reason of negligence or negligent misrepresentation) for any statements, opinions or information (express or implied), arising out of, contained in or derived from, or for any omissions from this document, except liability under statute that cannot be excluded.
