

# NEXT SCIENCE®

## Update on expected revenue for H1

**Sydney, Australia Friday, 11 June 2021**, Next Science Limited (ASX:NXS)(**Next Science / Company**) refers to the expected run rate for 1H 2021 stated in our quarterly activity report released on 28 January 2021 and wishes to advise that we expect revenue for 1H 2021 will be between \$3.5M and \$4.0M.

Managing Director Judith Mitchell commented “We expect H1 2021 revenue to exceed total revenue for FY 2020 and our growth rate will be at least 230% on the prior corresponding period”.

Approved and authorised for release by Next Science’s Board of Directors.

### **About Next Science**

Next Science is a medical technology company headquartered in Sydney, Australia, with a research and development centre in Florida, USA. Established in 2012, the Company’s primary focus is on the development and continued commercialisation of its proprietary Xbio technology to reduce the impact of biofilm-based infections in human health. Xbio is a unique, non-toxic technology with proven efficacy in eradicating both biofilm based and free-floating bacteria. Next Science owns 100% of the patent protected intellectual property relating to its Xbio technology. For further information visit: [www.nextscience.com](http://www.nextscience.com).

### **Forward looking statements**

This announcement may contain forward looking statements which may be identified by words such as “believes”, “considers”, “could”, “estimates”, “expects”, “intends”, “may”, and other similar words that involve risks and uncertainties. Such statements are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of Next Science or its Directors and management, and could cause Next Science’s actual results and circumstances to differ materially from the results and circumstances expressed or anticipated in these statements. The Directors cannot and do not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur and investors are cautioned not to place undue reliance on these forward-looking statements.
