

IRESS UNAUTHORISED ACCESS INCIDENT

ASX Release: 15 May 2024, Melbourne

Praemium Limited (ASX:PPS) advises that as announced on Monday 13 May, Iress Limited (Iress) has been investigating unauthorised access to its user space on GitHub, a third-party code repository platform which manages software code. Praemium has been informed today, Wednesday 15 May that this may impact the OneVue Platform Business (IOPB) that was acquired by Praemium on 15 April 2024.

The data breach only relates to the OneVue business and no Praemium technology or client data has been impacted.

At this time Praemium has no indication from Iress that OneVue client data has been compromised.

Praemium receives access to the IOPB pursuant to a transitional services agreement with Iress.

Whilst the investigation is ongoing by Iress, Praemium are in regular contact with Iress and we will continue to keep the market and our clients informed as the investigation continues.

This announcement is authorised by the Chief Executive Officer of Praemium Limited. For further information contact David Coulter, CFO, Ph: 1800 571 881
