FINANCIAL HIGHLIGHTS

Revenue Definitions

Recurring revenues are generated from ongoing subscription fees for access to Skyfii's 'iO' data analytics platform.

Services revenues are generated from the payment of projects undertaken by both DCS and MS divisions, including revenues generated from customers of the Causely (US) business. Revenues generated from services are received as either recurring or fixed fee projects

Non-recurring revenues are generated from the deployment of hardware and infrastructure, implementations and upfront setup fees, which underpin recurring revenues.

Quarterly Highlights

Revenues

- Recurring revenues for **Q3 FY18 was \$925k, up 5%** on the previous quarter (**up 74% compared to Q3 FY2017**)
- Strong revenues generated from services in **Q3 FY2018 of \$561k, up 603%** on the previous quarter
- The Company's cash receipts from customers for **Q3 FY18 was \$1.64m, down 16.9%** on the previous quarter
- Revenue from operations for **Q3 FY18 was \$1.54 million, down 14%** on the previous quarter (**up 111% compared to Q3 FY2017**)

New Customers (during the Quarter)

- **New services agreements signed** during the quarter with HSBC Australia and Nuffield Health (UK)

New Customers (post Quarter)

- **New services agreements signed** during the quarter with Lewis Land Group (AUS) and Precision Group (AUS)

Cash Position

- The Company maintained a **strong cash position of \$2.1m, down from \$2.75m** at the end of the previous quarter (31 December 2017)
- One-off impacts of transaction charges (Causely Acquisition), large scale deployments delivered in Q2 and seasonal impact of short trading period across Christmas holiday season

Cost Management

- Skyfii maintains tight cost control measures and is steering the company towards a breakeven on EBITDA level

Total Operating Revenue

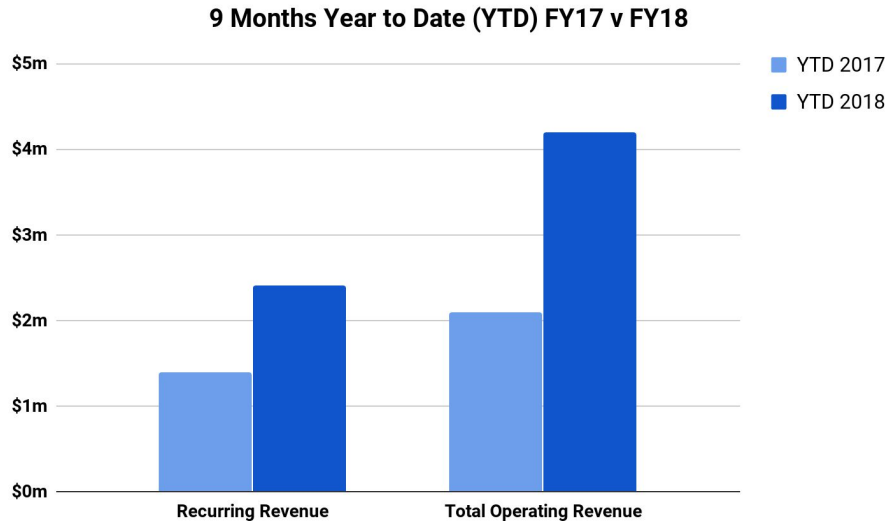

- Total operating revenues at A\$1.54m for Q3 FY18, down 14% from the prior quarter - includes the first time consolidation of the Causely acquisition during the quarter.
- Revenue from Services totalled A\$561k, up 603% on the previous quarter.
- Total operating revenues marginally down on prior quarter, resulting from significant one-off deployment charges in Q2.

Quarterly Recurring Revenues

- Recurring revenues of A\$925k for Q3 FY18, increase of 5% quarter on quarter; on the back of new contract wins (up 74% when compared to Q3 FY17).
- Recurring revenues are generated from ongoing subscription fees for access to Skyfii's 'IO' data analytics platform.
- Recurring revenues are typically contracted on 3-5 year terms.

9 Months, Year to Date (YTD) 2018

The underlying performance of the business and growth trajectory remain very strong. When comparing year to date FY18 with the same 9 month period in FY17, Skyfii has delivered strong performance including:

- Total Operating Revenues \$4.2m YTD FY18 versus \$2.1m YTD FY17, up 99%.
- Recurring Revenues \$2.4m YTD FY18 versus \$1.4m YTD FY17, up 73%.

CAUSELY ACQUISITION

Causely: Progress Update

- Causely is a US-based marketing services business, servicing an existing portfolio of 1,850 revenues generating small and medium-sized Enterprise customers (SME).
- Causely business was acquired Feb-18, with first time contribution from Causely acquisition completed in Q3 FY2018.
- Service revenues generated from Causely business were ahead of forecast.
- First time contribution from Causely acquisition, which is part of North America expansion.

DATA PRIVACY

Data Privacy

Skyfii treats the collection, storage and privacy of data with the utmost importance. Below are three areas surrounding data privacy, which I would like to update our shareholders on:

- Skyfii's privacy policy continues to adhere to and comply to global privacy regulations and standards, across all its jurisdictions.
- To protect the sovereignty of data, Skyfii ensures that data is hosted in Amazon Web Services (AWS) in their respective region and abides by the laws of the country it resides.

General Data Protection Regulation (GDPR)

- GDPR is the new legislation to be introduced in the European Union that will strengthen and unify data protection for individuals

STRONG OUTLOOK

Outlook and Full Year Forecast

Skyfii maintains a strong outlook for the coming quarter and beyond into FY2019. The company expects to deliver in excess of \$6m in revenue for the full financial year FY2018 and make substantial progress towards achieving its objective of an EBITDA breakeven position.

Focus for Q4 FY2018:

- Continued management of cash flow and operations costs, with a strong focus on cash position
- Contract conversion and continued sales pipeline growth, particularly in the UK, EMEA, North America and Australia
- Growth of Data consulting and Marketing services revenues, which underpin Skyfii's IO platform sales
- Conversion of new SME contracts and the Causely customer pipeline
